First proposed at General Meeting: June 8, 2023

- I. **DSA Cadre Candidates:**-DSA Cadre Candidates will have a significant amount of experience organizing in DSA as a member and will commit to an ongoing relationship with DSA. Whatcom DSA will have a significant and central degree of involvement in the campaigns and administrations of DSA Cadre Candidates. We expect these candidates to commit to the following standards:
  - a. **Putting Socialism Forward:** All DSA Cadre Candidates should actively, explicitly, publicly, and prominently do the following:
    - i. Identify as “**democratic socialists and/or socialist**” including on their literature, mailings, and scripts supplied for canvasses and phonebanks, regardless of their party ballot line.
    - ii. Present themselves as DSA candidates, present their campaign as a product of DSA, and consistently call on their base and constituency to participate in DSA campaigns, to mobilize to DSA events, and to join DSA.
    - iii. Use their voices to cultivate movements and act against the forces of capital inside and outside of legislative chambers, and publicly recognize that building socialism requires a mass orientation and cannot be achieved through backroom deals and collaboration with capitalist parties.

- iv. Be on the side of working people and marginalized communities
- v. Refuse any donations from corporations, corporate officers, corporation-backed front groups, private prisons, real estate sources, and police unions/law enforcement.

b. **A Working Class Platform:** All DSA Cadre Candidates should commit to the National DSA platform (and a Whatcom DSA Platform, should one be adopted). Candidates will put forward the ideas and priorities outlined in the platform(s) throughout their campaigns and time in office. Candidates will also run on a platform determined by Whatcom DSA ahead of each election cycle—regardless of whether a chapter platform has been drafted.

**c. Sturdy Candidate-Chapter Coordination**

- II. If candidates do receive the Whatcom DSA endorsement, they will endorse all other Whatcom DSA endorsed Cadre Candidates, and will not challenge any other Whatcom DSA endorsed Cadre Candidates for office.
- III. If an endorsed candidate is elected, they will coordinate closely with Whatcom DSA and endorsed Whatcom DSA candidates.
- IV. DSA Cadre Candidates serving in the same legislative body will form an openly socialist caucus in order to coordinate block voting and cohere support for socialist politics and DSA, and will utilize uniform branding throughout their campaigns and times in office.

**V. Endorsement Process**

**a. Application For Endorsement**

- i. A page on the chapter website will display information on our endorsement process, including this policy and the Endorsement Application Form.
- ii. Candidates wishing to be endorsed will fill out the application form, which will include questions on contact information, the seat they are contesting, social media accounts, campaign websites, links to the National DSA Platform, the chapter platform (should one be adopted), and Chapter Statement of Purpose (By-Laws Article II). Candidates will be asked to confirm they have read this policy.
- iii. Candidates that have previously been endorsed by Whatcom DSA on one campaign will have to re-apply for endorsement in order to receive an endorsement for a subsequent campaign.
- iv. Three/fifths of SC members may directly forward the endorsement of a federal candidate (i.e. a presidential candidate) who has not filled out an application form to the chapter for prospective nomination.

**b. Nomination For Endorsement**

- i. Once an application form has been submitted, an SC member will post the candidate's responses to the application form (excluding those that divulge sensitive or personal information) on the chapter communication platform. The Endorsement Nomination Form will also be posted internally so chapter members can sign on in support of bringing the endorsement to a GM.
- ii. In order for the candidate to be nominated and for the endorsement to be brought to a GM consideration, 2% of members in good standing must sign the nomination form.

- iii. If this threshold is reached, the SC will invite the candidate to prepare their statement with regard to their alignment with Chapter Statement of Purpose and will be scheduled to speak at the subsequent GM for the chapter to hear their statement and vote on the endorsement.

**c. Endorsement Vote**

- i. At the GM where the endorsement is considered, the candidate will make a statement to the membership. Afterwards, time will be allotted for a period of question and answer, followed by a debate on whether the candidate should be endorsed or not.
- ii. Candidate endorsement votes must be announced to WDSA membership at least one week prior to the General Meeting.
- iii. A candidate endorsement shall require a two thirds majority vote during a general meeting with a quorum of 10% of chapter membership.

**VI. Expectations for endorsed candidates**

**a. Chapter will provide to candidates**

- i. Only cadre Candidates will have complete access to the chapter membership list.
- ii. Invitation to speak at General Meetings to update on campaign and ask for volunteer support.
- iii. Use of Whatcom DSA logo on candidate's campaign material.
- iv. Submission of nomination to National to access resources.

- c. Candidate endorsement recall votes must be announced to WDSA membership at least one week prior to the General Meeting.

time by an 80 percent supermajority vote. In this event, the Steering Committee will immediately inform membership of the action and the reasons for it.
